The ALCC continued discussing language for the definition of Assistant to Psychologist. Additional discussion was had related to requirements for licensure and exemptions for psychological research. As a result, additional changes were made to the definition of Practice of Psychology, and revisions were made to R.S. 37:2365 (Scope of Chapter) in order to clarify that only those individuals conducting research “that are not defined as the Practice of Psychology” were exempt from licensure.

Next meeting dates were discussed and the June 19, 2020 meeting was cancelled due to the inability of Kim VanGeffen, Matt Holcomb and Koren Boggs to attend on those dates. The next meeting dates confirmed were June 26 (2pm-4pm) and July 10 (2pm-4pm). Additionally, the committee discussed requesting that Ms. Courtney Newton be available to attend the next meeting to obtain a legal perspective on the current work accomplished by the committee as well as answer questions on final discussion items.
