LSBEP'S ADA Compliance Policy and Procedure

1015. American's With Disabilities Act, ADA Compliance Policy

A. **APPLICABILITY:** This policy applies to all LSBEP employees, board members, applicants for employment, an applicant or candidate for licensure, licensees, and members of the general public that receive services from LSBEP.

B. **PURPOSE:** The purpose of this policy is to outline LSBEP's standards and procedures for purposes of ADA compliance.

C. **STATEMENT OF COMPLIANCE:** The LSBEP is fully committed to ensuring compliance with the requirements of the Americans with Disabilities Act and its Amending Act of 2008 (collectively ADA) to include:

1. Title I: Prohibits discrimination against qualified individuals with disabilities in all employment practices, including recruitment, hiring, advancement, compensation, fringe benefits, job training and other terms, conditions and privileges of employment.

2. Title II: Ensures qualified individuals with disabilities have equal access to the full range of programs, services, activities and facilities of the agency. It prohibits discrimination against people with disabilities with regard to access to state and local government programs and services. The ADA requires that no qualified disabled individual be denied the benefits of the "services, programs or activities" of state agencies such as the LSBEP. It also requires "reasonable" and "readily achievable" accommodations to persons with disabilities. The accommodation must not fundamentally alter the program or service.

D. **DEFINITIONS:**

1. **Disability:** Under the ADA, an individual with a disability is a person who:
a. Has a physical or mental impairment that substantially limits one or more major life activities;

b. Has a record of such impairment; or

c. Is regarded as having such impairment as described in item #1 above.

2. **Impairment:** Any physiological, mental or psychological disorder or condition, including those that are episodic or in remission, that substantially limits one or more major life activities when active.

3. **Substantially Limits:** An impairment that prevents the ability of an individual to perform one or more major life activities as compared to most people in the general population when taking into consideration factors such as the nature, severity, duration and long-term impact of the condition. Such consideration must be regardless of any mitigating measures such as modifications, auxiliary aids or medications used to lessen the effects of the condition (except for use of ordinary eyeglasses or contact lenses).

4. **Major Life Activities:**

a. Generally, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others and working; and

b. The operation of a major bodily function, including functions of the immune system, special sense organs and skin; normal cell growth; and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

5. **Essential Functions:** The fundamental and primary job duties of a position. Considerations in determining whether a function is essential include such factors as the written job description; whether the reason the position exists is to perform that function; the limited number of employees or board members available to perform that function; and the degree of expertise required to perform the function. Legal requirements, especially those involving due process rights of applicants for licensure and/or the public, established by the Louisiana Legislature are paramount and considered fundamental to the services and activities of the LSBEP.

6. **Qualified Individual:**

a. Under Title I, an individual with a disability who meets the requisite skill, experience, and education requirements for the position and who can perform the essential functions of the position held or applied for, with or without reasonable accommodation(s).

b. Under Title II, an individual with a disability who meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by **LSBEP**, with or without reasonable accommodation(s).

7. **Reasonable Accommodations:**

a. Under Title I, a modification or adjustment to the work environment that will enable a qualified individual with a disability to:

- i. Participate in the testing, application and/or interview process;
- ii. Perform the essential functions of the job; or
- iii. Provide equal opportunity to the benefits and privileges of employment.

b. Under Title II, a modification that permits an individual with a disability to effectively communicate with **LSBEP** and/or ensure equal opportunity relative to **LSBEP's** programs, services, activities and facilities.

8. **Undue Hardship:** An accommodation that would be unduly costly, extensive, substantial or disruptive, in light of factors such as the size of the agency, the resources available and the nature of the agency's business operations.

9. **Direct Threat:** A significant risk of substantial harm to the health or safety of an individual with a disability or others that cannot be eliminated or reduced by reasonable accommodation.

10. **Requestor:** An applicant or candidate for licensure, licensee, employee or Board Member of the LSBEP, employee or applicant for employment of the LSBEP, or member of the general public.

11. **ADA Coordinator:** The **LSBEP** representative responsible for facilitating the interactive, evaluation process relative to any request for accommodation for employees, applicants for employment, an applicant or candidate for licensure, licensees, and members of the general public, shall be the Executive Director for the Board whose name and contact information is provided below.

a. May initiate a request either verbally or in writing. If a request is initiated verbally, the ADA Coordinator shall forward the Board's Request for Accommodation Form, which shall be required prior to proceeding. 2. The Requestor may be required, as part of the interactive process, to provide the ADA Coordinator with medical documentation from their health care provider describing the nature of the disability and the functional limitations thereof.

3. Upon request, **LSBEP** shall engage in an interactive process and may approve a reasonable accommodation, unless the Requestor is not a qualified individual; doing so poses an undue hardship to the agency; or poses a direct threat to the health or safety of the individual with a disability or others.

4. Upon request, **LSBEP** may provide a reasonable accommodation, unless the Requestor is not a qualified individual; doing so would fundamentally alter the nature of the agency's service, program or activity; or poses a direct threat to the health or safety of the individual with a disability or others.
